

# PERSIMMON IS A LIVING WAGE EMPLOYER

This means that all staff working on behalf of Persimmon and on this site will be paid at least the real Living Wage.

The real Living Wage is calculated based on today's cost of living. It is higher than the National Minimum Wage and is voluntarily paid by nearly 9,000 UK employers.

## Whistle-blowing

If you believe you're not being paid the correct rate of pay please get in touch anonymously via phone, email or using the QR code.
