HS&E ADVICE NOTE

UPDATED H&S STANDARDS

REF: HSE-24-03

Date: 23rd January 2023

DESCRIPTION

The Group Shared Drive and Persimmon Cloud have now been updated to include revisions to the following H&S standards:

[HSMS standards – Training](#)

- Section 3.2 (Telehandler Operatives) – All Telehandler Operators to now have a specific induction, this will be carried out with all existing Telehandler Operators by the local group HS&E Advisors between now and the end of March. New starters will receive the induction within one month of starting with us.
- Section 3.3 (Site Operatives) – As we roll out the new Persimmon Way APP for induction and site sign in, there is now reference to it, with a link to the part 2 induction [guidance](#) for site management.

[HSMS standards – Site Security and Public Protection](#)

- Section 5 – (Land Owned, not under construction) – Template inspection form added:
Template inspection form: HSMS/ EMS form [083](#) – Land Owned Not Under Construction Inspection

[HSMS standards – Site Closedown](#)

- Section 6 – (Monitoring) – Template inspection form added:
Template inspection form: HSMS/ EMS form [084](#) – Completed Site/ Occupied Area Inspection

ACTION

Please ensure you read and follow this communication and updated standards.

If you have any questions then please do not hesitate to contact your local Group HS&E Advisor.
